COSTUME CONTEST

SATURDAY ONLY – 5:00 PM on the Main Panel Stage.

You must visit Booth #5 to register for the Costume Contest!

**There is no cost to register, but you must be in costume .
Photographs will be taken for pre-judging.**

Registration closes at 2:00 pm.

Ages 6 and below – Non-competitive category, commercially produced costumes are welcome, no registration required, just show up! All participants will receive a token of participation!

Ages 7-15 and Ages 16+ - Competitive category, divided between male and female based upon participant's gender, not their character's. No commercially mass-produced or rented costumes permitted.

Pre-judging will narrow contestants to the top three in each category. Winners will be selected by audience participation.

Prizes will be provided for 1st, 2nd, and 3rd place for each gender within each age category.

Costume Policy:

Anyone is welcome to dress up when attending Smallville ComicCon, regardless if they are competing in the costume contest, LARP activities, or just hanging out.

Please remember this is a family-oriented event and costuming as well as clothing in general, should be safely within a PG rating.

These general rules apply for all attendees in costume:

- No partial or full nudity. Body paint, pasties, and lingerie do not qualify as a costume. Fabric must appropriately cover critical areas without risk of a wardrobe malfunction. No gratuitous display of flesh is permitted.
- No pyrotechnics, smoke, fog, fire, fireworks, explosions, concussions, etc.

Prizes provided by:

- No dripping or oozing of fluids, confetti, or glitter which could create an unsafe walking surface.
- A personal wrangler is required with costumes which limit visibility, are oversized or equipped with large components or associated props. Please be mindful of people, exhibits, and merchandise around you.
- Weapons and props will be inspected at the door each time they are admitted. Weapons are required to be replica or prop by design. No illegal or functioning weapons are permitted. Airsoft/paintball and similar weapons must be unloaded, not charged with air/gas, and rendered inoperable. Peace bonding will not be required provided you police yourself.

Smallville ComicCon staff reserve the right to deny entrance for inappropriate clothing / costumes.

Cosplay Etiquette:

Ask to take a photograph. The majority of those participating in cosplay are more than willing to stop for photographs, and will want your photograph to be the best it can be, so they will want to pose. Don't sneak photographs while they are eating, adjusting their costumes, or using restroom facilities.

Be considerate. Don't monopolize a cosplayer's time. Don't block doors, event aisles, or artist/vendor booths and don't interfere with events/activities. There are other fans who want to interact or get photographs, even autographs. The cosplayer also wants to enjoy their ComicCon experience as well.

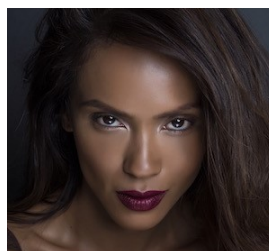

Don't touch. Cosplay is a huge investment. Those fans striving for an accurate representation have invested considerable time and money in their costume and props. Some elements may be fragile, easily break, and even be irreplaceable.

Be respectful. Cosplay is not consent. Be polite, accept the responses you are given; and treat those in costume the same as you would any stranger on the street. Respect personal boundaries. Do not permit others to harass a cosplayer. Report inappropriate behavior to Smallville ComicCon staff.
